PALATE	Intense dark berry, firm tannins and well integrated oak
FOOD MATCH	Rib fillet

VITICULTURAL NOTES

We have crafted our Prophecy Cabernet Sauvignon from a select block grown near Ballandean in the Granite Belt.

The Granite Belt is situated on the Great Dividing Range 850m above sea level and 95km inland from the coast. The winters are cold and frosty and summers warm producing a continental climate. Most of the region's rainfall comes in the growing season feeding the buds and shoots. The soil is largely composed of granite, somewhat on the acidic side and is very free draining.

WINEMAKING NOTES

Witches Falls produces **Prophecy** wines from selected parcels of fruit that we consider to be exceptional. As a result these wines may not be seen every vintage.

In 2018 the elements combined to deliver near perfect ripening and growing conditions to produce intensely flavoured fruit.

Our 2018 Prophecy Cabernet Sauvignon has been matured in new and used oak barriques to produce a wonderful wine that we believe eloquently demonstrates the incredible potential of the Granite Belt, with a reputation which will continue to grow.

TASTING NOTES

The nose shows a rich blend of blackberry aromas supported by hints of tobacco and chocolate. Intense dark berry flavours combine with firm tannins and cedary oak to provide length and persistence. This beautifully structured wine will reward careful long-term cellaring.
