VITICULTURAL NOTES

Witches Falls produces 'Prophecy' wines from selected parcels of fruit that we consider to be exceptional. As a result, these wines may not be seen every vintage. We have crafted our 2018 Prophecy Syrah from a select block grown by Davydd Westlake in the Ballandean district of the Granite Belt.

WINEMAKING NOTES

Our 2018 Prophecy Syrah has been matured in new and used oak barriques for 18 months to produce a wonderful wine that we believe eloquently demonstrates the incredible potential of the Granite Belt, with a reputation which will continue to grow.

TASTING NOTES

Very cool, consistent ripening conditions provide a rich blend of black fruits, warm spices, pepper and anise on the nose and palate, finishing with perfectly balanced tannins. This beautifully structured wine will reward long term cellaring.
